Will hyde die upon the scaffold?  
Or will he find the courage  
To release himself at the last moment?  
God knows; I am careles;  
This is my true hour of death,  
And what is to follow  
Concerns another than myself.  
Here then, as I lay down  
The pen and proceed  
To seal up my confession,  
I bring the life of that unhappy  
Henry jekyll to an end.

Wake up, mr hyde  
Stop to think what is right  
To hell with you mr kind  
I damn you out of my mind

Wake up, mr hyde  
Stop to care about your lies  
To hell with you mr kind  
You'll never get what is mine

Is it cold where you are?  
Do you fell safe in the dark?  
You really want to go this far?  
All alone in your hyde park

Farewell, mr kind  
There's nothing left to hide  
I know, I must take your life  
To release what lies inside

Farewell, mr kind  
It's time for you to die  
I have to sacrifice you  
To feel - to feel alive
