"Promoe:

I'm all city like graffiti, better yet all country/ 'bout to go all planet if it goes the way I planned it/ Fanatic fan addict but a man at it/ Looptroop's a sickness now we're lettin' Japan have it/ Givin' a bad habit no matter who distributes/ no matter what record label I gotta spit the truth/ The illest troop you can't keep a good sound down/ in Tokyo my shit is heard around town/ I'm screamin' on emcees: unless you drop gems shut the fuck up, hand over your benz' keys/ The way I see things in Europe, nobody's fuckin' with

and in the states, well I don't really wanna dis/ But some rappers take hip hop for granted/ watch me run up in their spot like moe and mike mecanic/

Panic! When my rhymes cross the atlantic/ then cross the pacific if it goes the way I planned it/ Fanatic fan addict but a man at it/ Looptroop's a sickness now we lettin' Japan have it!/

Chorus:

You diggin' me man: Looptroop big in Japan/ kick the real shit and get 3 million fans/ World supremacy/ p-r-o-m-o-e/ I said you diggin' me man Looptroop is big in Japan/ spit that rah rah shit and get 6 million fans/ World supremacy/ s-u-p-r-e-m-e/

Supreme:

club thug/

Hell yeah this be Supreme from the Looptroop singers/ known for hit singles and stiff middle fingers/ Just ring us, then bring us for the time of your life/ we'll forever be a part of your life cus of your two timing wife/

Tout le monde we world wide/ your fan base is your man's place they thought your tape was aight/ Since you ain't nothing in the streets you pose to be a all hyped up but never really done shit like that millennium bug/

Cos of the drugs, sex and alcohol/

I'm in this to rip the clubs, decks and microphones/

In Tokyo and former Russia/

informers rush the set cus of we hollerin' anarchy like Busta/

And cuss the downpressor men from the top of my lungs/

till they start makin' sense and be dropppin' their guns/ Once my crew gets to speak out they freak out/ this ain't supposed to leak out we ain't supposed to sneak out/

The back door with black dough, Looptroop is like WHOA/

conquerin' the world in two triple O's/

so: do panic, that bull shit can it/

my crew's a sickness and now we letting Japan have it/

Chorus:

You diggin' me man Looptroop is big in Japan/ teach the youths the truth and get 10 million fans/ World supremacy/ Cos to the m-i-c/

Cosmic:

It's the DVSG entreprenuers/

cruisin' thru the underground systems to the Japanese sewers/

Nobody boo us they more like: sayonara/ glad you came, it's the bomb! aight peace we feel honored/

We stand as one build as one swarm/ and travel to the other side of the planet to perform/ I look to the east (why?) yo do I even have to mention it/ this western world got us trapped in censorship/ Cus everything that I say is political/ and everything that I write makes me a suspected criminal/

Subliminal adertising behind enemy lines/ you'll find the message between the lines when you rewind/

dIrow eht reuqnoc srekcoR poortpooL/ Iriws ot eunitnoc Iliw srekcoR poortpooL/ starting point right here we just landed/ Looptroop's the illest virus now we're lettin' Japan have it/

Chorus:

Diggin' me man: Looptroop big in Japan/ building a plan to get millions of fans/ Blao blao bo bo bo/ Supreme, Cosmic, Embee and Promoe/
Du ligger i lä, Looptroop sticker iväg/
över till Japan är jiggy där mä'/
