I want to be over it
I want to be out of this negative
Today I am bored to death, seeing red
I can't live like this... no
Awake at the break of dawn
I feel like it's something new going wrong
Feeling of impending doom, what to do?
Can't get through this life alone...
Can't forgive me anymore...
Can't see through me
I'm no longer invisible

I am the taker
You are the dagger

One thing I have got to say
I don't think that I can wait anyway,
My love is a hard to break prison gate
I can't take this pain... no
I've got to be free of fear
Don't want to believe that your out of here
You blame me for everything you can feel...
Can't get through this life alone...
Can't forgive me anymore...
Can't see through me
I'm no longer invisible
