What if I did stay out late at night
close by your side treating you right
i should know better
always hanging out whit my thing
but this ain't happening again

cause this is one love
and i wont let you go
cause we are one heart
and i want you to know
that we are one love
and i wont let you go

see i've een a fool i've treat you've with no respect
see i've made my mistakes
but baby i'm here to confess
i've been blinded by the start
broke your precious heart
there's a reason why i'm here

2x
cause this is one love
and i wont let you go
cause we are one heart
and i want you to know
that we are one love
and i wont let you go

Leki
I got a sweet to you
you're better than candy
you ain't gotta do much
you better love them this
i cant believe that this ever excist
no i can't believe that i've found you
you're the one that i've been looking for
we've been up and down
and i still want more
never letting go
cause it's one love
it's one love

In my life there's nothing but you
my world doesn't turn without you
in my life there'll be no one else
so please make my dreams come true

2x
cause this is one love
and i wont let you go
cause we are one heart
and i want you to know
that we are one love
and i wont let you go
