Time for reward it's been so hard just living here
Transcend the self remove the sight ending the fear
Escape the fault widen the gap, kill off the facts

That are gonna hurt my mind
That are gonna stain my soul
Another worldly device, that may ruin me

That are gonna ruin my goals
That are gonna take its toll
Another worldly device, another worldly release

Take back myself from this here self
The ones that you do must hold some truth
To what you should I will perceive the will persists

I must omit what's gonna hurt my mind
What's gonna stain my soul
Another worldly device that may ruin me

Not gonna block my goals
Not gonna take its toll, another worldly device
Another worldly device more wrong advice
Another broken promise, oh

what's gonna hurt my mind
What's gonna stain my soul
Another worldly device that may ruin me

Not gonna block my goals
Not gonna take its toll, another worldly device
Another worldly device, another worldly device
