I had a new premonition
I have found the non light
I've had a brand new renewal of sight

Do you need a new genuflection?
Do you wanna make a different pact?
You've got to get in with the facts

It's the end
Innocence gone
Your whole meaning
Becomes undone

You've made an art of treachery
You'll be snake right out of anything
I've said, "I won't do, not a thing"
To the double negative, you can only agree

Are you waiting for your resurrection?
Do you wanna make a different pact?
You've got to get in with the facts

Do you need a new genuflection?
Do you wanna make a different pact?
You've got to get in with the facts

It's the end
Innocence gone
Your whole meaning
Becomes undone

Innocence gone
Innocence gone
Innocence gone
Innocence gone

It's the end
Innocence gone
Your whole meaning
Becomes undone

It's the end

Innocence gone
Your whole meaning
Becomes undone
