Exposing all the frauds
Those heroes for a cause
They're holding some key
Confusing identities

The lost and found
Lost in a crowd
Look what they've found

They're faking in the buck
Purveyors of so much luck
Upholding a true scope
Flag waving ego

The lost and found
Lost in a crowd
Look what they've found

Lost and found
Lost and found
Lost and found

The lost and found
The lost and found
The lost and found
