News of senseless aggression
Journalistic sensation
Quick reasons to mention

Paraded so soulfully
Stated so righteously
One vision to convey
Nothing more to say

The cause, no way to deny it
Ignore it it won't disappear
No way to deny it

The wrongs, no way to deny them
Ignore them they won't disappear
No way to deny it

News eating a nation
Editorialization
So poor to mention

Concluded too easily
Repeated in history
Someone's got to pay
Nothing more to say

The cause, no way to deny it
Ignore it it won't disappear
No way to deny it

The wrongs, no way to deny them
Ignore them they won't disappear
No way to deny it
(Ignore it)

News, constant deception
Censored reception
Quick reasons to mention

Sound bites, all too clear
Left rights, the end is near
Someone's got to pay

Nothing more to say

The cause, no way to deny it
Ignore it it won't disappear
No way to deny it

The wrongs, no way to deny them
Ignore them they won't disappear
No way to deny it
(No way to deny it)

No way
(No way to deny it)
No way, no way
No way, no way

(No way to deny it)
No way, no way
No way, no way

(No way to deny it)
No way, no way
No way, no way
