It's a reason why I got control
It's the treason, better off alone
Got an answer; individual creed
Got advantage, don't really need 'em

Shouldn't have bothered
Reaching out to fools
Shouldn't have bothered

They're the patients, condition's worse
Got the patience, it's in the works
Their impressions are such a waste
My investment is my own fate

Shouldn't have bothered
Reaching out to fools
Shouldn't have bothered

Soon I'll give up

Shouldn't have bothered
With someone like you, no

Bothered, bothered
Shouldn't have bothered
