You choose a path close to collapse  
Stretched to the limit and coming apart  
The light turns black  
We choose to pass finally into oblivion

Steady decline  
(Steady decline)

A quirk of fate can't stop this wait  
But it took a quirk of fate to ignite the spark  
Innocence and youth, youth and innocence  
Takes so little to tear it apart, tear it apart

Steady decline  
(Steady decline)  
Steady decline  
(Steady decline)

Witness to the crime  
Witness to the crime  
Witness to the crime  
Witness to the crime

Witness to the crime  
Witness to the crime  
Witness to the crime  
Witness to the crime

Steady decline  
(Steady decline)  
Steady decline  
(Steady decline)

Steady decline  
(Steady decline)  
Steady decline  
(Steady decline)

Steady decline  
(Steady decline)  
Steady decline  
(Steady decline)
