Alright, I got you  
Fill it on,... don't know I be back to cop the dough  
Fill it on, I be rock with the flow  
Fill it on,... don't know I be back to cop the dough, we  
back in 9 to 4  
Fill it on, they don't know that I'm in the... zone  
My flow is... time they got together on the rhyme  
Writing... it's for the sibling,  
My magic rhyme is for my... they found dead  
With my flow along why oh, mr... top notch, what's your  
problem cut the slab  
Cause I jam, at your snap box, hold nigger... nigger,  
you nigger I said no nigger  
Oh nigger, did I forget to warn you, or just I... nah  
I'm not hugh hefner, don't playboy got just got out the  
jester  
Don't play board I'll knock you...  
Say yes I'm fresher, I'm out for the extras  
So

Fill it on,... don't know I be back to cop the dough  
Fill it on, I be rock with the flow  
Fill it on,... don't know I be back to cop the dough, we  
back in 9 to 4  
Fill it on, they don't know that I'm in the... zone

Hold tight, my rap is like dino... mystic  
With the flow in the low, around the way  
I... deck, art center, please, time is over  
The drunken style I found sober  
You know you didn't messed up now  
He don't know me and you... your style  
I make the room, my tomb,  
But wounds and you never know where I got the flow  
My... be cool but steady,... not me but... paramedic  
I dip... rap the hair cause I'm...  
You can lick me everywhere,  
I think I need to get down to...  
My flow up under your nose, you only smell the shit in  
between your toes

...

Fill it on,... don't know I be back to cop the dough  
Fill it on, I be rock with the flow  
Fill it on,... don't know I be back to cop the dough, we  
back in 9 to 4  
Fill it on, they don't know that I'm in the... zone

For the extra, I'm fresher, say yes sir  
I'm not hugh hefner, don't playboy got just got out the  
jester  
... south suckers, I won't waste the matches to burn you  
Or should I warn you that it's familiar  
It's one thing that each line is... old nigger  
Bigger old nigger, I said no nigger, your nigger trust  
by doe nigger  
Whole nigger,... grill and jill, it's not hard to feel with  
the real mister around here  
Along with all my flow to kill does that sound...  
... and the lamb life... like, we... together on the line,  
well it's about time

Fill it on,... don't know I be back to cop the dough  
Fill it on, I be rock with the flow  
Fill it on,... don't know I be back to cop the dough, we  
back in 9 to 4  
Fill it on, they don't know that I'm in the... zone.
