Playing for the hate team  
Shut out, cut out of the mainstream

If you like to play victim  
You play your part so well  
That's how we'll treat you  
If it suits you so well

Hey now, it's all turning  
Watch your world burn  
Hey now, it's all burning  
Watch your world turn

Playing on the hate team  
Shut out, cut out of the mainstream  
Playing for the hate team  
Hate team

Hey now, it's all burning  
Watch your world turn  
Hey now, it's all turning  
Watch your world burn

If you never felt decent  
And you feel rather mean  
Don't wear your hurt so pathetic  
Let your mind set you free, yeah

Playin' on the hate team  
Shut out, cut out of the mainstream

Whose fist is this anyway?  
Whose fist is this anyway?  
Whose fist is this anyway?  
Whose fist is this anyway?

Whose fist is this anyway?  
Whose fist is this anyway?  
Whose fist is this anyway?  
Whose fist is this anyway?
