I just know it's all gone wrong  
Feeling all the pressure, can't weather the storm  
'Cause I kept myself in a cage  
All wound up and filled with rage

I just know it's all gone wrong  
Feeling all the pressure, can't weather the storm  
'Cause I kept myself in a cage  
All wound up and filled with rage

Forgive oneself of nothing at all  
Pounding my head against the wall  
Guilt ridden and bound to lose  
Puncture my wounds, won't see the truth

I looked in the mirror, what did I see?  
One man bitter with apathy  
The whole thing turned out to be a joke  
But I'm not laughing, I'm without hope  
I'm without hope

It's never well thought out, just my instant demise  
Haste and hatred, my inner desire  
It's all so bitter, the hurt inside  
Haste and hatred, my inner desire

Ruptured, I've lost it all  
My heart ripped out, I can't stand at all  
'Cause I've cost my brain to never relax  
Picking at all the torturous facts  
I just know it's all gone wrong  
Feeling all the pressure, can't weather the storm

It's never well thought out, just my instant demise  
Haste and hatred, my inner desire  
It's all so bitter, the hurt inside  
Haste and hatred, my inner desire

My inner desire  
It's my inner desire

It's never well thought out, just my instant demise

Haste and hatred, my inner desire  
It's all so bitter, the hurt inside  
Haste and hatred, my inner desire

It's my inner desire
