[Proof]
This is me, this is you
This is us, this is Proof
This is you, this is me
This is us, this is Proof
I don't need forgiveness
I don't need no religion
I ain't living my life behind bars or sign Prison
Aint no job for me,
Damn if God only put some love in my house instead a
leavin' ma heart lonely
Trapped inside poverty
Strapped up so properly
Acting outta hunger
Now I'm wrapped up in robberies
My yearn is to brawl
Got me learning the law
Came to school
But a fool
I ain't turning my jaw (shhh-it)
Hit me? I'm hitting back
Damn sho I'm getting back
Talk behind the streets
Never eat where you shittin' at
Life as a diplomat
True family and friends
Sittin back confused, insanity begins
As we travel to the end
And battle not the sick (whut)
Being broke, Harry had his Gat up to his skin
Used to live to fight,
Now I'm fightin' to live
Please believe my own needs
Feed ma wife and ma kids
It's my life
We do what we gotta do
Can only do me
That's all I know how to do

I gotta get away
To swallow this Malibu
So pray for me
'Cos my life aint valuable
It's my life
We do what we gotta do
Can only do me
That's all I know how to do
I gotta get away
To swallow this Malibu
Straight from the bottle
Do, shit, I do what I gotta do
