You and I
We've never had it easy baby
We've got to work so hard
Everytime
It feels like we're gonna make it
That's when it falls apart
But

Ooo-Ooo baby
I'll take my chances with you
Ooo-Ooo baby
I'll take my chances with you

Every night
I think about mistakes I've made and
I try to change my ways
I don't mind
All the little games you play or
The foolish things you say
'Cause

Ooo-Ooo baby
I'll take my chances with you
(You know it's true)
Ooo-Ooo baby
I'll take my chances with you

Love is what you make it
So I'll give it one more try
'Cause I get so down
When you're not around
That I just can't say goodbye

You and I
We've never had it easy baby
We've both been hurt before
Only time
Will tell us if we're gonna make it
There's no way to be sure
But

Ooo-Ooo baby
I'll take my chances with you
(That's what I'm gonna do)
Ooo-Ooo baby
I'll take my chances with you
(You know it's true)

Ooo-Ooo baby
I'll take my chances with you
Ooo-Ooo baby
I'll take my chances with you
