Feel the sun upon my face  
Today's the day I find my place  
Ready to move  
But still I think of you

And I'm hoping that you'll be there  
(at four in the morning, four in the morning)  
I'm hoping that you'll be there

Down the road I make my way  
Done my time to you I race  
Ready to move  
But still I think of you

And I'm hoping that you'll be there  
(at four in the morning, four in the morning)  
I'm hoping that you'll be there

Getting closer to you  
I'm thinking hard what to say  
I pray that you haven't changed  
So please be there

And I'm hoping that you'll be there  
Hoping that you'll be there  
I'm hoping that you'll be there  
(At four in the morning, four in the morning)  
I'm hoping that you'll be there  
(Hoping that you'll be there)  
I'm hoping that you'll be there
