Baby be mine in the Summer of Love
Spending time in the Summer of Love

I've been waiting all year for the summer
And the chance that I'll see you again
Hanging out at one beach or another
With friends, yeah

The days are getting longer
And the moon stays out all night

So be mine in the Summer of Love
Spending time in the Summer of Love

And everybody's gonna say
La la la la la la la la la la
Oh yeah
La la la la la la la la la la
The Summer of Love

I don't know who you are but I'll find you
And your face will shine like
The rays of the sun
Then I'll know you're the one
And the Summer's begun

The days are getting longer
And the moon stays up all night

So be mine in the Summer of Love
Spending time in the Summer of Love

And the whole world is gonna sing
La la la la la la la la la la
La la la la la la la la la la
The Summer of Love

Summer is all around the world
Summer is all around the world
Now listen to me baby

The nights are getting warmer
And the stars stay out all night
Everybody's gonna be alright

In the Summer of Love
The Summer of Love
Spending time
Together in the Summer of Love
The whole world is gonna sing
La la la la la la la la la la la
la la la la la la la la la la la
Summer of Love
