You speak of Rastafari,  
But how can you justify belief  
In a God that's left you behind.

You simply fill the gap  
Between the upper and lower class  
And your faith merely keeps you in line,  
In line, yeah

An amalgamation of jewish scripture  
And christian thought.  
What will that get you? Not a fuck of a lot.  
Take a look at your promised land.  
Your deed is that gun in your hand.  
Mt. Zion's a minefield.  
The West Bank. The Gaza strip.  
The West Bank. The Gaza strip.  
The West Bank. The Gaza strip.  
The West Bank. The Gaza strip.  
Soon to be parking lots for American tourists  
And fascist cops, yeah.

Fuck zionism.  
Fuck militarism.  
Fuck americanism.  
Fuck nationalism.  
Fuck religion.  
Fuck religion.  
Fuck religion.  
Fuck religion.  
Fuck religion.  
Fuck religion.  
Fuck religion.  
Fuck religion.
