How much love  
How much love  
I can't explain the life  
Finally  
We're out of the rain  
The sea it became  
Will wash away  
I want to see them fall  
Stoned and beautiful  
No look of love  
Find in me a thing of wonder  
Forever asking  
How much love  
How much love  
How much love (How much love in a world of wonder)  
How much love (How much love in a world of change)  
Many reasons why  
Finally  
I wanted to say  
I wanted to stay  
A castaway  
Find in me a thing of wonder  
Forever asking  
How much love  
How much love  
How much love (How much love in a world of wonder)  
How much love from heaven above  
From the stars in our eyes to the ocean tide  
I can't explain the lie  
Finally  
I want to believe  
The love that I need  
Will come my way  
Find in me a thing of wonder  
Forever asking  
How much love  
How much love  
How much love (How much love in a world of wonder)  
How much love (How much love in a world of change)
