I rose from chaos  
I rose from carnage  
On rage and fury, I stand tall  
I'm on the right track  
I'm on the attack!  
In my world of hate  
I'll take you down

They say, I'm evil  
They say, I'm cursed  
I am the reaper  
This is my revenge

Evil they call me, but I am true,  
My instincts are pure and I'll follow  
Them through...

This night you'll suffer  
This night you'll beg  
This night you will come crawling  
Back, praying for it all to end  
I'll make you cry  
I'll make you scream  
I'll make you pay the price, forever  
Burn in hell

They say, I'm evil  
They say, I'm cursed  
I am the reaper  
This is my revenge

Evil they call me, but I am true, my instinct are pure  
Evil they call me, but I am true, my instinct are pure
