Seven sin, seven blades, severed heads  
I am here to turn this world to pain  
For war is my name  
I bring death  
And I am here to stay

Unlock the horror  
Unlock the beast  
Chaos and mayhem  
Tons of hate built up to  
Tons of one horrific beast

Waiting to be unleashed  
Unlock the horror  
Unlock the beast  
Waiting to be released  
Unlock the horror  
A human feast

Sent from hell, out of control, choas roars  
Horrifying, gruesome killing spree  
A rage from below  
Starting to grow  
The human race will fall

Unlock the horror  
Unlock the beast  
Chaos and mayhem  
Endless screams and suffering  
The slaughter never ends

Waiting to be unleashed  
Unlock the horror  
Unlock the beast  
Waiting to be released  
Unlock the horror  
A human feast  
Waiting to be unleashed  
Unlock the horror  
Unlock the beast  
Waiting to be released

Unlock the horror  
A human feast
