You speak of Rastafari, but how the fuck can you justify  
belief in a dog

that's left you behind? You've simply filled the gap  
between the upper and

lower class and your faith merely keeps you line. An  
amalgamation of jewish

scripture and christian thought. What will that get you?  
Not a fuck of a lot.

Take a look at you rpromised land. Your deed is that  
gun in your hand. Mt.

Zion's a minefield. The West Bank. The Gaza strip...  
soon to be parking lots

for American tourists and fascist cops.

Fuck zionism. Fuck militarism. Fuck americanism. Fuck  
nationalism.

**FUCK RELIGION**
