You speak of Rastafari, but how can you justify belief
In a god that's left you behind?
You've simply filled the gap between the upper and
lower class
And your faith merely keeps you in line.
An amalgamation of jewish scripture and christian
thought.
What will that get you? Not a fuck of a lot.

Take a look at your promised land.
Your deed is that gun in your hand.
Mt. Zion's a minefield. The West Bank. The Gaza Strip.
Soon to be parking lots for American tourists and
fascist cops.
Fuck zionism. Fuck militarism. Fuck americanism.
Fuck nationalism. Fuck religion.
