He's a good boy
He loves his mamma
He loves jesus
And his country too
He's a good boy
Working class white male
Loves violence
And his dumb girlfriend too
And that's enough to make me
That's enough to make me sick

I am white, proud and, stupid
I am much smarter than you kid
Cause you don't know what's right
You're black instead of white
And you gotta be like me
If you wanna be free in my world
In my world
I can't believe what you say
Do you really think that way
Every time you talk
You tear the human race
Limb from limb
Limb from limb

The first generation
With a racial segregation >< turn in her grave
Nazi skins and aryans
Pollute our land
Screwdriver white pride and warzone
And other nazi bands
They're a bunch of 'fag'-bashing goons
Nationalist buffoons
And they don't even know
What the fuck they're singing about at all

I will never be white, proud and stupid,
I am no smarter than you kid
And we both know what's right
It's never black or white
You don't have to be like me
You're always free in my world

In my world

The first generation with a racial segregation
