You know the bed feels warmer
Sleeping here alone
You know I dream in colour
And do the things I want

You think you got the best of me
Think you had the last laugh
Bet you think that everything good is gone
Think you left me broken down
Think that I'd come running back
Baby you don't know me, cause you're dead wrong

What doesn't kill you makes you stronger
Stand a little taller
Doesn't mean I'm lonely when I'm alone
What doesn't kill you makes a fire
Put that thing on lighter
Doesn't mean I'm over cause you're gone

What doesn't kill you makes you stronger, stronger
Just me, myself and I
What doesn't kill you makes you stronger
Stand a little taller
Doesn't mean I'm lonely when I'm alone

You heard that I was starting over with someone new
But told you I was moving on over you

You didn't think that I'd come back
I'd come back swinging
You try to break me

What doesn't kill you makes you stronger
Stand a little taller
Doesn't mean I'm lonely when I'm alone
What doesn't kill you makes a fire
Put that thing on lighter
Doesn't mean I'm over cause you're gone

What doesn't kill you makes you stronger, stronger
Just me, myself and I

What doesn't kill you makes you stronger
Stand a little taller
Doesn't mean I'm lonely when I'm alone
Thanks to you I'm not a broken hearted
You know in the end the day to left was just my
beginning
In the end...

What doesn't kill you makes you stronger
Stand a little taller
Doesn't mean I'm lonely when I'm alone
What doesn't kill you makes a fire
Put that thing on lighter
Doesn't mean I'm over cause you're gone

What doesn't kill you makes you stronger, stronger
Just me, myself and I
What doesn't kill you makes you stronger
Stand a little taller
Doesn't mean I'm lonely when I'm alone
