Oh the night, here it comes again
It's on with the jeans, the jacket and the shirt
How'd I know I'd feel so bad
For such a little girl
And I hold you close in the back of my mind
Feels so good but damn it makes me hurt
And I'm too scared to know how I feel about you now

La Cienega just smiled
See ya around

And I hold you close in the back of my mind
Raise my glass 'cause either way I'm dead
Neither of you really help me to sleep anymore
One breaks my body and the other breaks my soul

La Cienega just smiles
And waves goodbye

Oh the night, here it comes again
It's off with the jeans, the jacket, and the shirt
How'd I know I'd feel so bad
For such a little girl
And I hold you close in the back of my mind
Feels so good but damn it makes me hurt
And I'm too scared to know how I feel about you now
How I feel about you now

La Cienega just smiles
And says "I'll see you around"
