"publicly subsidized! privately profitable!" that's the
anthem of the upper-tier (the puppeteer untouchable).
we focus a moment, nod in approval and bury our head
back in the bar-codes
Hese neo-colonials while our former nemesis (ah, the
romance!): the nation-state, now plays fund-raiser for
a new brand of power-concentrate. try again, but now
we're confused- what is "cla
R"? is this class war? yes, this is class war. and i'm just
a kid- i can't believe that i gotta worry about this kind of
shit! what a stupid world! yeah, this is just beautiful...
absolutel
Regard for principle. what a stupid world. (we're): 1)
born 2) hired 3) disposed! where that job lands,
everybody knows and you can tell by the smile on the
ceo's that the environmental restrain
E about to go. you can bet that laws will be set to
ensure the benefit of unrestricted labor-laws (all kept in
place by displaced government death squads). they
own us. they produce us. they con
Us. can you fucking believe this? what a stupid w
Orld. fuck this bullshit display of class-loyalties. the
media and "our" leaders wrap it all up in a flag- their
fucking shit-rag. hooray!
