Fine day in river heights, fine day for your skateboards
and bikes, fine day in your cute little world, fine day for
tough boys and submissive girls, a fine day to see that
the government's got

Rop on you. watching everything that you do. but you
tell yourself that I you're exempt from their stare and
that rules are rules and the system's fair and square,
but with wired phones and two-

Irrors, they've been watching you for 20-some years,
they regulate your idleness, (get a load of this next
line) you agglutinate and acquiesce, this whole
goddamn world's a fucking mess, but it'

Ine-day in river heights (whammy bar mayhem)
