You speak of rastafari, but how can you justify belief in  
a God that's left you behind? you've simply filled the  
gap between the upper and lower class and your faith  
merely keeps you in line. an  
Gamation of jewish scripture and christian thought.  
what will that get you? not a fuck of a lot. take a look at  
your promised land. your deed is that gun in your  
hand. mt. zion's a minefield. th  
T bank. the gaza strip. soon to be parking lots for  
american tourists and fascist cops. fuck zionism. fuck  
militarism. fuck americanism. fuck nationalism. fuck  
religion
