"Take My Life"

Take my heart
and fill the void within
Take my eyes
let me see your perfect plan
Take my words
may they glorify your name
Take my life
Let it be yours.

Take my feet
guide my only in your ways
Take my hands
may they serve you all my days
Take my will
Lord use it as your own
Take my life
Let it be yours

All I have is just this simple song
All I need is for you to know my heart..
Take all I am, Lord take me by the hand.
Take my life, let it be yours.

Take my pride
may I fall humbly at your throne
Take my fears
give me peace I've never known
Take my sins
wash them clean with your mercy and grace.
Take my life
Let it be yours.
