Oh baby i'm searching  
Six senses and a bottle of wine  
Too soon empty  
Too late finding out how  
Love makes you that way

Well i'm restless  
Well i'm wreckless  
I'm right where you wanted me to be  
My arms waiting  
My heart telling me how  
Love blows us away

Oh yeah finally reached out  
Someone who never existed before  
It's a brand new episode  
And just a raggedy starlet  
Flying right outside your door

I've found everything i'm looking for  
In your eyes  
I've found everything i'm looking for  
I've found everything i'm looking for  
I've found everything i'm looking for

I'm walking on greasepaint  
I'm dancing as fast as I can  
My bed's aching when you're not around  
Love rains, then it pours

Oh god you finally found out  
Maybe i'm talking too much or,  
Maybe you'll never know  
Just a raggedy Annie  
Standing here outside your door

I've found everything i'm looking for  
In your eyes  
I've found everything i'm looking for  
I've found everything i'm looking for  
I've found everything i'm looking for

Just a raggedy Annie  
Waiting right outside your door

I've found everything i'm looking for  
In your eyes  
I've found everything i'm looking for  
I've found everything i'm looking for  
I've found everything i'm looking for
