God was here
Just like us
Waiting for a number nine bus

Dried the tears i cried for you
Took me to his sky of blue
I prayed for love
I prayed for rain
Watched you lock my heart back in chains

Last Night
(last night your eyes undressed me)
Your eyes undressed me
(last night your eyes undressed me)
Last Night
(last night your eyes undressed me)
Your eyes undressed me
(last night your eyes undressed me)

Sometimes I wait for you
Like a dead end girl
I got no shoes
Lost inside this head of mine
Like a butterfly on a neon sign

Sometimes i know you love me
Sometimes i'm not so easily comforted

Last Night
(last night your eyes undressed me)
Your eyes undressed me
(last night your eyes undressed me)
Last Night
(last night your eyes undressed me)
Your eyes undressed me
(last night your eyes undressed me)

Baby baby I can't break free

There's miles and miles of desert highway
Fran Sinatra singing my way

In your arms I know i'm going home

Last Night

your eyes undressed me

Last Night

your eyes undressed me

Last Night

your eyes undressed me

(your eyes undressed me)

Last Night

your eyes undressed me

Baby baby I can't break free

(last night your eyes undressed me)X4
