Somebody else  
Is taking my place  
Somebody else  
Now shares your embrace

While I am trying  
To keep from crying  
You go around with  
A smile on your face

Little you care  
For vows that you made  
Little you care  
How much I have paid

My heart is aching  
My heart is breaking  
For somebody's taking my place

Little you care  
For vows that you made  
Little you care  
How much I have paid

My heart is aching  
My heart is breaking  
For somebody's taking my place
