Visit "[All Fall Down](#)" on MotoLyrics.com

it's the crime of the centry

and millions are killed

the cupboards are empty
and pockets are filled

a vicious intention
to cut like a knife

in light of redemption

you fight for your life

innocence is lost
and it cannot be found

hence the holocaust
tis' in sorrow we drown

all fall down

now the guns are for hire
to kill on command

we jump in the fire
the time is at hand

we'll keep it together

and take it to heart
this hopeless endeavor

innocence is lost
till death do us part

and it cannot be found

hence the holocaust

tis in sorrow we drown

all fall down
