busted out back in 82'

a buncha kids with nothin to do

played bass, had a beat up car
no plans of takin it far

messed around,
got a couple of gigs

no chance of makin it big

some folks tried to bring us down

didn't know we had

our feet on the ground

don't wanna be nobodys tool

I ain't got the time to play the fool
don't wanna go down in flames

so for now I remain -

I remain

second wind circa 92'
took a chance and started anew

grass roots and a common cause
set pace and opened the doors

case in point -

it was outta control
with no sign of sellin a soul

you breakdown when the stakes are high

life sucks

and we're all gonna die
don't wanna be nobodys tool
I ain't got the time to play the fool
don't wanna go down in flames
so for now I remain -
I remain
