The Monster You've Become...

Hope you have no regrets,
Do you still smoke cigarettes?
Hope the cancer is eating you alive.

I've had enough of you
I've had enough of
I've had enough of you
Had enough of
The monster you've become
Is the monster I used to be
And lessons are learned hard
When the entire time your
Kicking and screaming.
I heard all about your good news
But I didn't hear it from you.

The guy I've become,
He's a sorry one,
The guy you used to know would have punched you in
the face.

I've had enough of you
I've had enough of
I've had enough of you
Had enough of
The monster you've become
Is the monster I used to be
And lessons are learned hard
When the entire time your
Kicking and screaming.
I heard all about your good news
But I didn't hear it from you
