I am a man who has seen affliction.
You drove me out in the night,
You turned your hand against me.
You lay siege to my temple.
Hardships come my way.
You make me dwell in darkness.
You've walled me in, and I cannot escape.
You drove me out in the night,
You turned your hands against me.
When darkness comes my way,
I will not dwell in silence.
Save me from this wretched place.
The path won't end, Every corner is just another dead
end.
This labyrinth has taken me, has taken me.
I can't escape.
(So keep me in this cage)
I can't escape.
(You can't hold me, I can't escape)
No running, no hiding, not this time (I can't escape)
Stand and fight. (I can't escape)
No, you won't hold me.
You can't hold me.
Only one can hold me, and he is my Father.
