You snake. You whoremonger. You whoremonger.
Speak to my face. Don't breed these lies again.
Spread your blasphemy.
Whisper lies to the innocent,
You speak of goodness of power.
Get out of my head, it's all just lies again.
Get out of my head, you're just telling me lies again.
Your brotherhood means nothing to me.
You are a sad excuse for a friend, you belong in the dirt.
Deceiver you've wrapped me in chains.
Deceiver you've lied again.
Get out of my head, it's all just lies again.
Get out of my head, you're just telling me lies again.
It's just lies again.
Your regrets cannot save you, Â
Your apologies mean nothing to me.
You cannot redeem yourself now.Â
Get on your belly you snake.
Slither through the dirt, you deserve nothing more.
Get in the dirt.
You are damned for all eternity.
You are damned for all eternity.
Burn in hell. Burn in hell you snake.
Burn in hell, Burn in hell demon.
