Coexistence is not an option.
Get up rejoice.
Raise your hands, rejoice.
Failure is a matter of opinion.
Blood on your hands,
Guilt on your face
I just want you to know, I love you.
And I want to show you the way. I need to, I want to, I
love you.
(These battle lines have been drawn. No more,
faltering or wavering.)
What you call innocent, I call guilty. Guilty!
Only God can save you now.
Only God can save you now.
Only God can save you now.
I just want you to know, I love you.
And I want to show you the way. I need to, I want to, I
love you.
(These battle lines have been drawn. No more,
faltering or wavering.)
Just raise your hands.
Praise the Father.
Shout loud, the voices of the redeemed.
A life surrendered is not lost.
You cannot serve two masters.
A life surrendered is not lost.
You cannot serve two masters.
