I dreamt of stars. Guiding me down this road. Is this my life? I have been down this road before, And it's not going as planned. There will be struggles. You were born with a silver spoon in hand. Life does not come on a silver platter. You can't gain success By taking the easy way out. Hard work is the only way To achieve your dreams. Get on your feet. Make use of yourself. You do no good. You are not a waste of space. Get on your feet. Make use of yourself. You do no good. You are not a waste of space. I dreamt of stars. Guiding me down this road. Is this my life? I have been down this road before, And it's not going as planned. Son, look at what you've done. You've gained so much. You've gone so far. This is not the end, you have far to go. You dreamt of stars, I will take you there. Follow me.Do not be discouraged. Follow me. You will make it there. Follow me. Follow me. I will take you there. Follow me.
