Run for your life, these words may be your last.  
I am the worst thing that your eyes have ever laid on.  
Just take one breath and save the rest.  
Just take one breath and savor it.  
I am the power, behind the thrown!  
Run for your life and don't turn back.  
And what makes you think you deserve a second  
chance.  
Just don't turn back!  
Just don't turn back!  
Run for your life and don't turn back.  
And what makes you think you deserve a second  
chance.  
Just don't turn back!  
Just don't turn back!  
Run for your life and don't turn back.  
And what makes you think you deserve a second  
chance.  
Just don't turn back!  
Just don't turn back!
