These are my scars, the story of my life.
So take this heart, and make it yours.
These are my scars, the story of my life.
So take this heart, and make it yours.
Why weren't you there?
I can count the scars,
From every time I was alone.
I called out your name,
But there was nothing.
An empty space a silence.
My only comfort was the pain.
These are my scars, the story of my life.
So take this heart, and make it yours.
These are my scars, the story of my life.
So take this heart.
These are my scars in my hands and feet.
I gave my life so you could live.
These are my scars in my hands and feet.
I gave my life so you could live.
These are my scars.
