Father can you hear me we need your love today.
we know that you are listning hear me everyday
Father pleas hear us and we will be ok Father we need
you hear today

Father can you hear me im calling on your name no
foolish or no harm
but its jesus we cry out lord. Father just forgive us here
is when we say
we give and give and give you every thing our lives
and souls today

Father you know we need it i never seen so much pain.
we have the faith for now your victory we will gain.
Father you know we need it theres no more heart of
stone.
were ready for your power now the sin is gone Father

(can you hear me now) 4xs

Some body say yes
yessssssss (3xs)

(yes to your will jesus yes to your way)

yessssssssss (6xs)

Can you please hear me lord god see im coming to you
just as i am
Im in need of the blood of the lamb all my heart and
soul says yes(12xs)
