I'm tryin to feel my way around, just let me feel my way around.

Keep two feet on the ground just let me feel my way around.

Don't wanna fall down.

The girl I used to love she always nagged.

She ran outta nags and she put me in a bag.

I gotta feel my way around, just let me feel my way around.

Don't wanna fall down.

It ain't no joke when you up on a rope, tell me what would happen if the tightrope broke.

I gotta feel my way around, just let me feel my way around.

Don't wanna fall down. No no no no no.

Just like a blind man with a cane. It gets awfully slippery when you walkin in the rain.

I gotta feel my way around, just let me feel my way around.

Don't wanna fall down. No no no no no.

I gotta feel my way around, I gotta feel my way around, feel my way around, I gotta feel my way around, I gotta feel, feel, I gotta feel, I gotta feel my way around, just let me feel my way around, o just trying to make my way around.
