I'm a good man, if you give me a chance.
I'm a good man, if you give me a chance.
You don't know what your missin baby
When it comes to love and romance.

I'm a good man, if you give me a chance.
I'm a good man, if you give me a chance.
You don't know what your missin baby
When it comes to love and romance.

I'll treat you right baby,
I'll treat you like a queen.
I'll buy you a car baby
I'll give you everything.
I'm a good man, if you give me a chance.
You don't know what your missin baby
When it comes to love and romance.

Well just try it baby
You'll like it if you try
Hold on to me baby
When you get tired of that other guy
I'm a good man, if you give me a chance.
You don't know what your missin baby
When it comes to love and romance.

I'm good man,
I'm good man,
I'm good man,
I'm good man,
