I'm gonna fall on my knees  
Raise up my right hand  
Trying to tell you baby  
Trying to make you understand

You've got to learn  
You've got to learn to treat me right  
You've got to learn to treat me better  
All we do is bust and fight

I can't go out at night  
Without you getting in my face  
If you can't do better  
You've gotta move to another place

You've got to learn  
You've got to learn to treat me right  
You've got to learn to treat me better  
Lord I'm tired with bust and fight  
(Solo)

Well you treat me like a schoolboy baby  
That you know is true  
Tell me tell me baby now baby  
What're we gonna do

You've got to learn  
You've got to learn to treat me right  
Yeah learn to treat me better  
Baby I'm doin for a fight
