Sugar Coated Love

You ought to see my baby
You know that gal is so fine
She loves me in the morning and every night
She's always on my mind she got
Sugar-coated love, yeah sugar-coated love
She's a real-born baby I don't mean maybe, she's mine

I don't have to worry 'bout money
I don't have to worry 'bout clothes
I don't have to worry 'bout anything she's my baby
And goodness knows she got
Sugar-coated love, yeah sugar-coated love
She's a real-gone baby I don't mean maybe, she's mine

Harp solo

You can take your pick of the others
Take any one you may choose
I'm holding on to this baby of mine because she got
what I can use and that's
Sugar-coated love, yeah sugar-coated love
She's a real-born baby I don't mean maybe, she's mine

Yes you want to go to sugar-coated lovin'
It's the best lovin' they got
It's the kind of love make an old man young and make
the north pole hot, and that's
Sugar-coated love, yeah sugar-coated love
She's a real-gone baby I don't mean maybe, she's mine
