"Wait On Time"

Well I don't live like a King
And I don't drive a big car
The Gypsy woman was right -when she said I would go
far
Just wait on time Baby - I'll be there someday
Yeah -and until I get there Baby
All I can do is hope and pray

Well you say you'll stick with me Baby
Stick with me through thick and thin
I know someday Baby - My bad luck has got to end
Just wait on me Baby - I'll be there someday
Yeah - and until I get there Baby
All I can do is hope and pray

Repeat verse 2.

Well I live the life I love and I love the life I live
The life I lead Baby is all I have to give
Just wait on me Baby - I'll be there someday
Yeah - and until I get there Baby
All I can do is hope and pray

Yeah you just got to wait on time Baby
Yeah - Just wait on time now Baby
Yeah ----- Yeah
Be good to me Baby
Because until I get there Baby
All I can do is hope and pray.
