God who act various times
God who in various ways
Spoke in the past, yeah the father is right
Prophets,
Has known these very last days
Has known these very last days
Spoken to us, by his precious son

God who act various times
God who in various ways
Spoke in the past, yeah the father is right
Prophets,
Has known these very last days
Has known these very last days
Spoken to us, by his precious son

Jesus, ... made the world
Being the brightest of all the...
Holding the things by the power of his word

Who purged our sins by himself
And sat down by the right hand of god
Majesty, on heart
But ... the son he does say
Your throne oh god is forever, and ever
Glory, glory, glory,

Jesus, ... made the world
Being the brightest of all the...
Holding the things by the power of his word
Hallelujah, hallelujah, hallelujah, hallelujah
Hallelujah, hallelujah, hallelujah, hallelujah

And what can wash away my sins
Nothing but the blood of Jesus
What can make me whole again
Nothing but the blood of Jesus

Oh precious is the flow
That makes me white as snow
No ... I know, nothing but the blood of Jesus

The blood of Jesus, the blood of Jesus

And Jesus, the son, the air of our things
As he has made the world,
And being the brightness of gold
He holds our things by the power of his word
By the power of his word, by the power of his word
By the power of his word.
