Wish you .. done in our lives
For the power and the glory of your name
The church proclaimed
The wealth of our resurrected lord
We need god our lord
Jesus we need God our Lord Jesus
You wrote the .. on our hearts
I would like to do your way
Oh my God
Sanctify our lives for your will
Let the glory of the name of Jesus .. from our hearts
That our lies reflect your glory we need god
Our lord Jesus
We need god our lord
Jesus we need God our Lord Jesus
You wrote the love .. on our hearts
I would like to do your way
Oh my God
For you ..loved me
when you my Lord died for me
For you .. loved me
when you my Lord died for me
we need you God our Lord Jesus
we need you God our Lord Jesus
You wrote the love .. on our hearts
I would like to do your way
Oh my God
